

SACRED HEART SECONDARY SCHOOL

September Newsletter 2021

School News

TY's had a cupcake decoration course on the 13th of September. The course was taught by a member *of Custom Cakes*. During the course, we made Halloween themed cupcakes.

On Thursday the 30th of September, TY's will be going on a bonding trip to **Carlingford Adventure Centre** where they will be participating in several fun activities.

They will also have Friday off to do their own bonding with each other and to have a rest after an action-packed day.

Celtic Adventures came to the school and set up an obstacle course. It brought the students together as a class. They enjoyed the experience!

Clubs

Swim club – starting up soon

Gaelic – starting up soon

Camogie – starting up soon

Language – contact Ms. Leddy

Geography in the News

Heavy rains lashed Texas and Louisiana as Hurricane Nicholas weakened into a tropical storm, bringing the threat of widespread floods and power outages as it swept down the US Gulf Coast.

It is the second major storm to threaten the region in recent weeks after Hurricane Ida killed more than two dozen in August and devastated communities in Louisiana near New Orleans.

Several small earthquakes have shaken the Spanish island of La Palma as lava from a volcano eruption flows towards the ocean where it threatens to create clouds of acidic steam.

A new volcano vent 3,000 feet north of the Cumbre Vieja ridge, where the first eruption happened on Sunday, has also blown open on Tuesday.

Guess the teacher???

Horoscopes

There has recently been a Pisces full moon! So, what does that mean for us? Countless possibilities will open up for us, here's what will happen specifically:

Aries, Leo, Sagittarius: Hard work and perseverance are likely to open up many fortunate opportunities this season, so work hard for those goals and it will pay off.

Taurus, Virgo, Capricorn: The full moon will inspire you to be creative, so for any projects or ideas, use that creativity!

Cancer, Scorpio, Pisces: The moon is empowering you to remain grounded in your decision-making. Pay attention to details around you and be aware.

Aquarius, Libra, Gemini: This season will be all about fresh starts! There may be the death of old ways or habits, and new ones will arrive. Reorganising will help this season!
